

JPF "Speak Out" Challenge! – Europe`s biggest public speaking event

**CONSENT FORM TO USE IMAGES/PHOTOGRAPHS OR TO TAKE PART IN
VIDEOTAPING/ VOICE RECORDING OF A CHILD AGED UP TO 18 YEARS**

Dear Parent/Guardian,

During SpeakersBank training sessions and competitions local, regional press or television may approach us to take pictures of the children if they wish to cover the event.

SpeakersBank has had some excellent press coverage in the past as our training is making a real difference in the lives of young people. SpeakersBank itself may also wish to produce a video, literature or put information on a website which may include images of your child or group of children in order to celebrate the work they have done.

Please complete and sign the attached form and return it to a Speakersbank representative as soon as possible.

Many thanks,

SpeakersBank Associate Trainer
